COMMISSIONER FOR PATENTS

Washington, D.C. 20231

Sir:

Pursuant to 37 CFR § 1.97 encouraging the filing of an Information Disclosure Statement, the Applicant hereby submits the following in compliance with the duty of disclosure as set forth in 37 CFR §1.56.

Information or art known to the Applicant and having an extent of relevance to the present application has been listed on Form PTO-1449 attached hereto. It includes one United States patent, one foreign patent document and two non-patent publications. The Applicant has employed Form PTO-1449 for the purposes of convenience of the Office and the Examiner.

No representation is made that a specific search has been made, that the information is pertinent to the claimed subject matter, that the information is non-cumulative, or that the information represents the only or the best information. The Applicant does not admit that any of the information he has provided is necessarily prior to his invention but rather that it is information of which he is aware and that he believes should be provided to the Office in fulfillment of his duty of disclosure. Any question that may arise regarding priority of a specific reference shall be resolved during prosecution.

It is the position of the Applicant that none of the art provided herein accomplishes the objects of the present invention.
